

ABU DHABI YACHT SHOW

March 12th – 14th 2009

In response to the enthusiasm and support displayed by potential exhibitors in recent weeks, the organisers of the Gulf's first dedicated megayacht show, **Abu Dhabi Yacht Show** have confirmed details about the on-land exhibitors at the superb new Abu Dhabi National Exhibition Centre (ADNEC).

Two magnificent air conditioned halls within ADNEC will now be used, and these halls will overlook the new pontoon area which will be home to the megayacht exhibits. A bridge will link the two adjacent areas and a continuous shuttle service will also ferry visitors between the two areas.

To take advantage of the availability of these facilities at ADNEC, there has been a change to the previously scheduled dates and the show has been brought forward and will now run from 12th – 14th March 2009.

The Abu Dhabi Yacht Show has already attracted a number of leading megayacht shipyards and brokers keen to take advantage of the massive market opportunities available in the Gulf region. Burger Boat Company, Northrop & Johnson, Palmer Johnson, Trinity Yachts and Westport Shipyard have already signed up to attend.

The show will be targeting a very specific group of elite, wealthy buyers in the market for megayachts upwards of 30m and a budget of over \$15million.

Ends

Date: April 2008
